The Borgan is dedicated to Miss Ola Eskelson, a teacher in Borger Senior High for 26 years. Miss Eskelson has never been ill or missed a day of school during those years.

Miss Eskelson received a B.S. degree from Methodist College, and her M.S. degree from the University of Illinois. Music and writing are her hobbies, and she has written several poems concerning school.

The years have been rewarding to her as a teacher and to her students, who have profited by her knowledge. She has often said, "The highlight in teaching is teaching enthusiastic students."

Quit Cheatin

Now what did you say?

No, it couldn't be.

I wish they would hurry.

Man I'm tired!

And there we were when . . .

Who knows what the nose knows.

We work here.

Come down from that Ivory Tower.

Truly Western.

The foot.

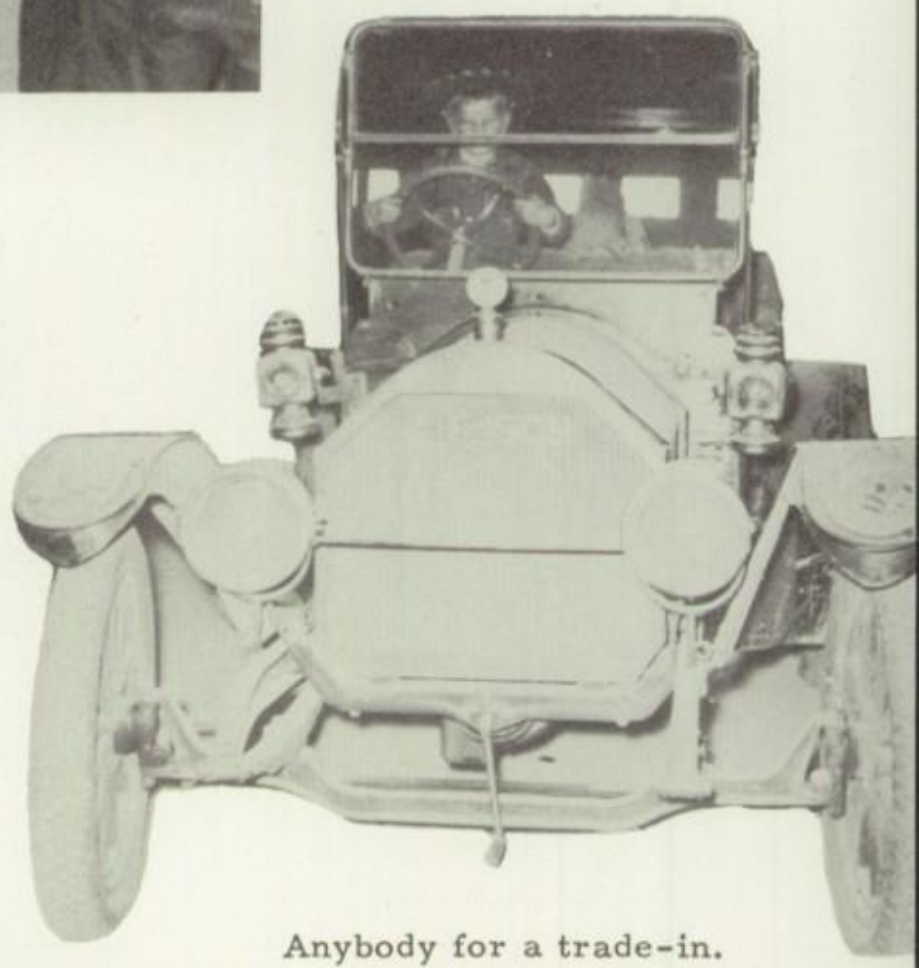
Kids on Parade.

Topsy Turvey.

Victory, Victory is our cry!

This is my right hand, raise it high.

No field goal!



Anybody for a trade-in.

This is a raid.

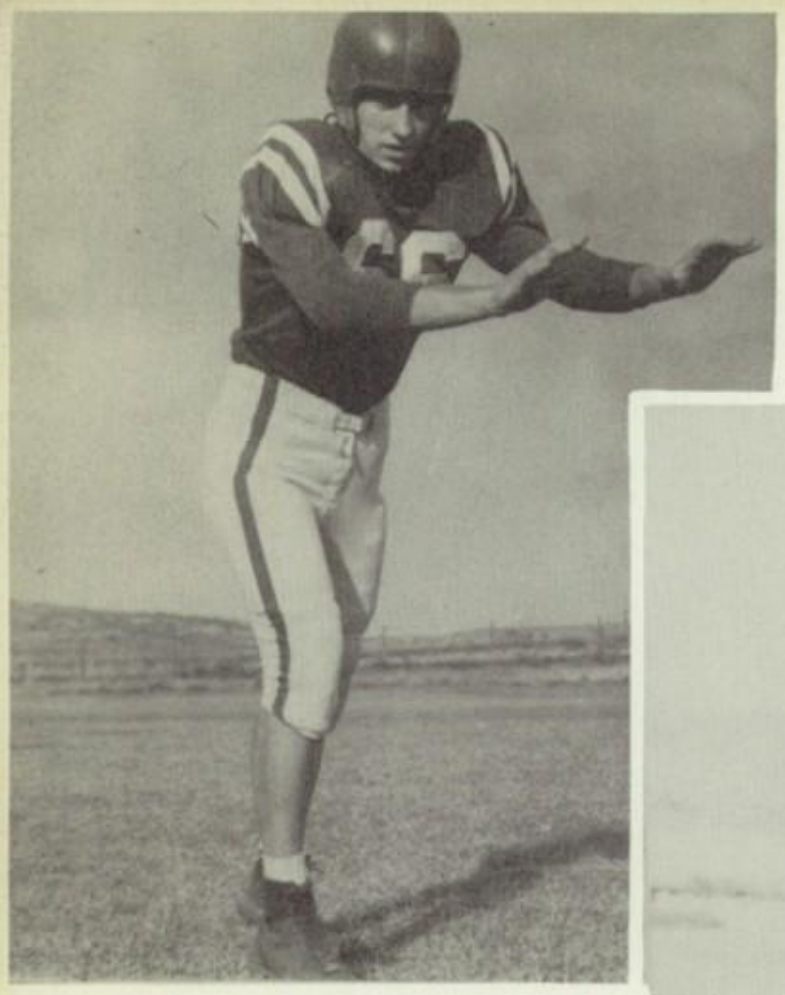
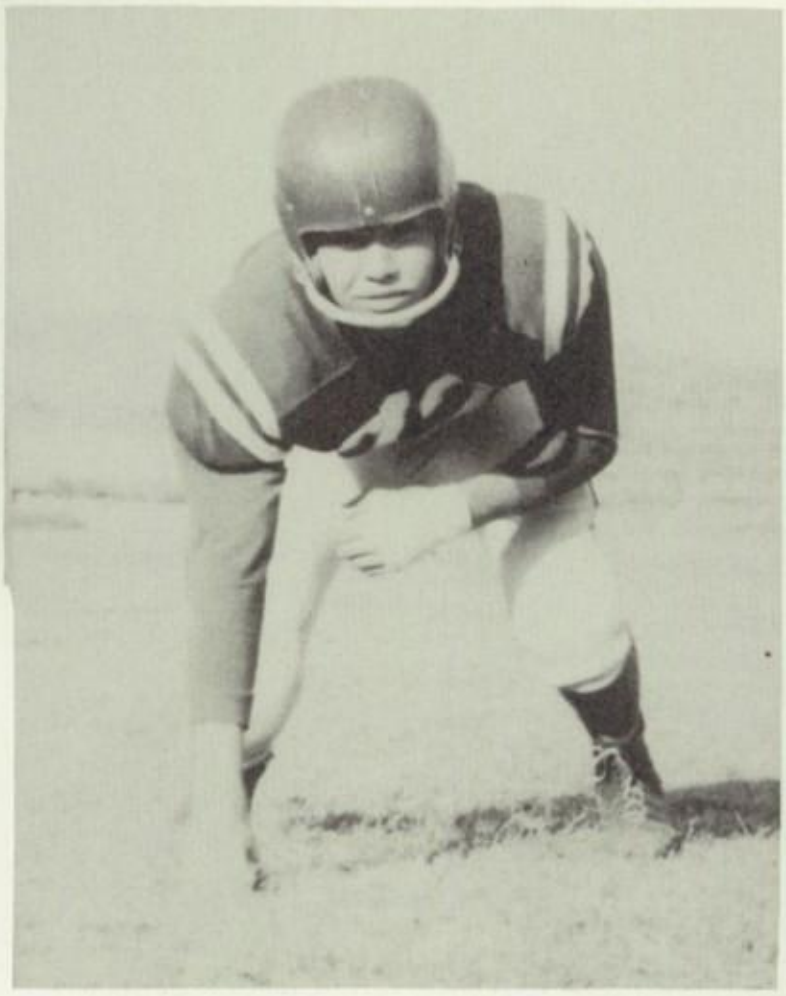
Left: BILL REED
Co-Captain

Senior, weighs 180 pounds and plays at a tackle slot. The Big Bear was immovable in the Bulldog forward wall and also played very good on offense. He has lettered two years and plans to go to Colorado University.

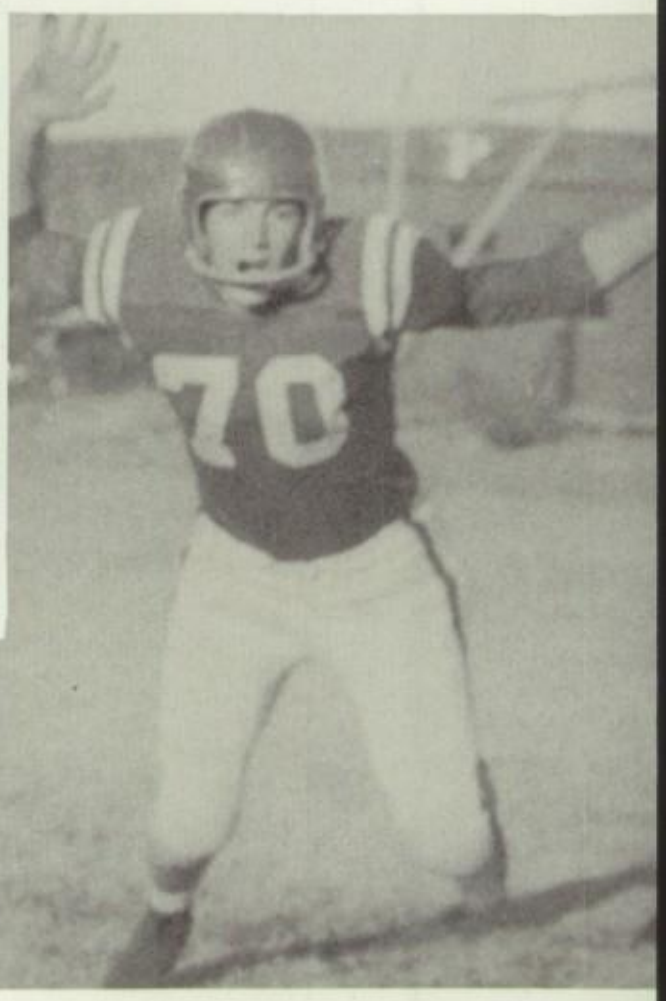


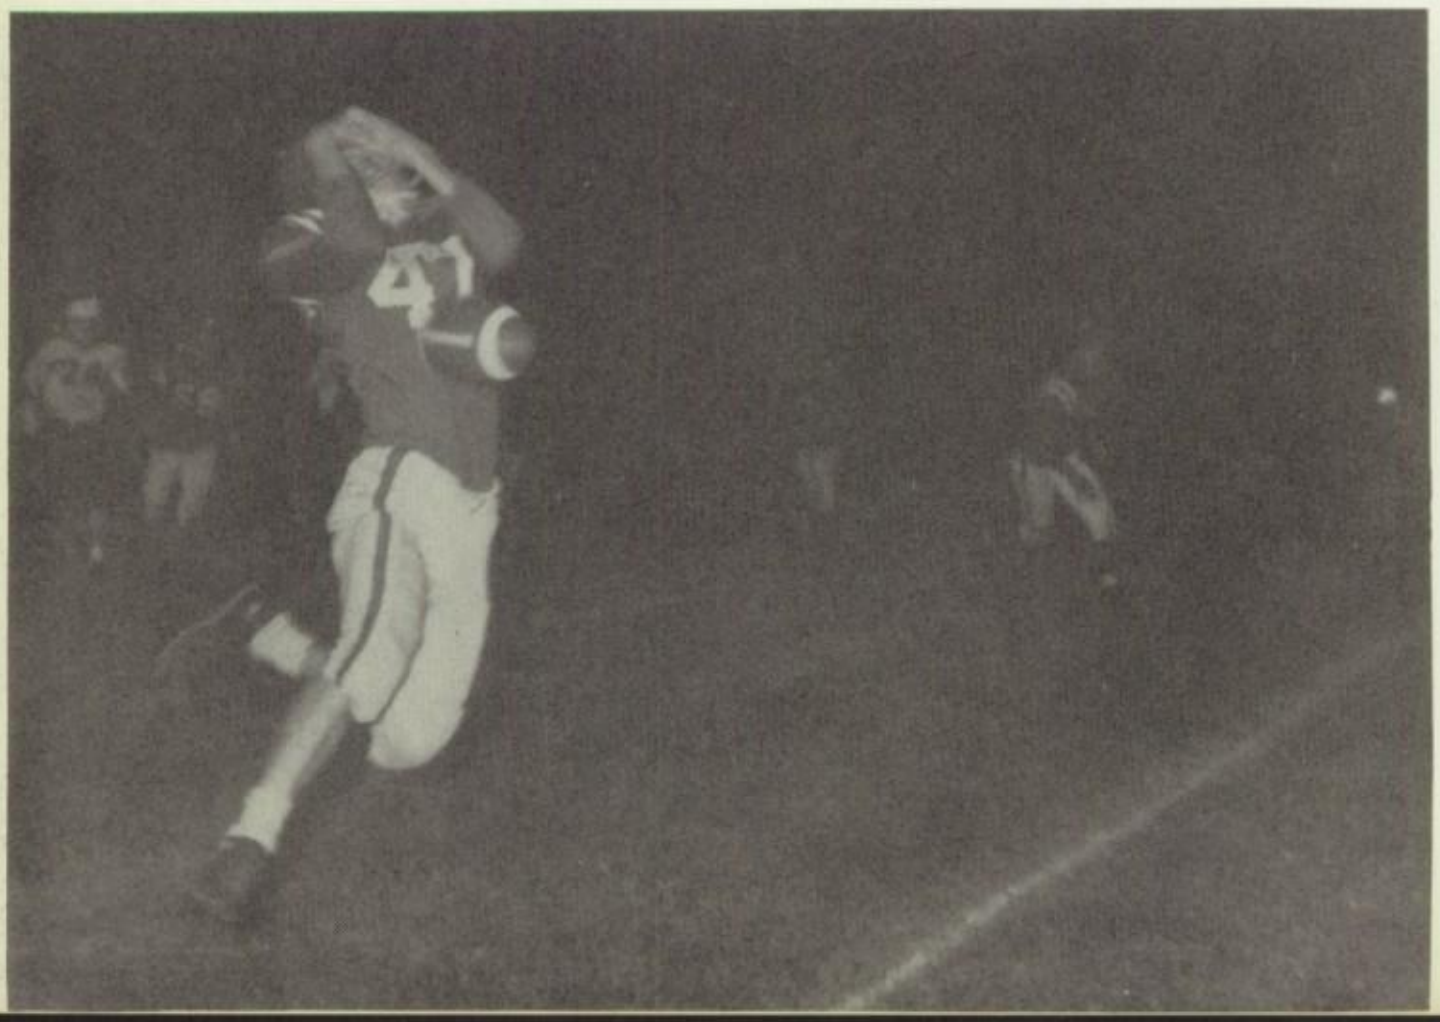
Above: DONN LAKE
Sophomore, weighs 148 pounds. Donnie plays end for the Bulldogs and this is his first year on the "A" team. He played Freshman football last year

Below: BOB WEST
Sophomore, weighs 162 pounds and plays at a tackle position in the Bulldog forward wall. Bob has the size and speed to become a great ball player.



Below: EARL EARNEST
Junior, one year letterman playing center. Earl played an awfully lot of defense this year as his 180 pound frame held the opposition the meager gains.

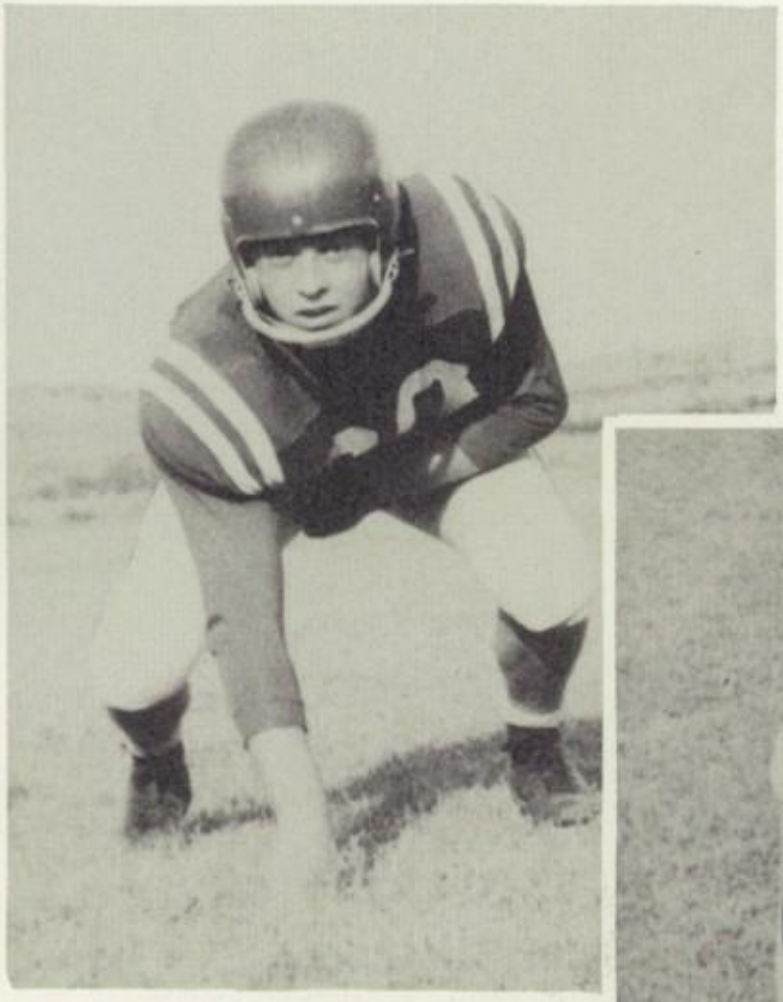




Bulldog halfback Gerald Dalton makes an attempt to complete a pass from the arm of Bob Page during the Abilene game.

Gary 'Monster' Braden misses a field goal attempt during the Pampa game which the Bulldogs won by a score of 12 to 6.

Below: DAN ZACHRY
Junior, weighs 168 pounds, plays guard and is a one year letterman. 'Zach' put in some fine defensive plays for his first year on the Bulldog's "A" team. Great things are expected of Dan next year as a possible starter.

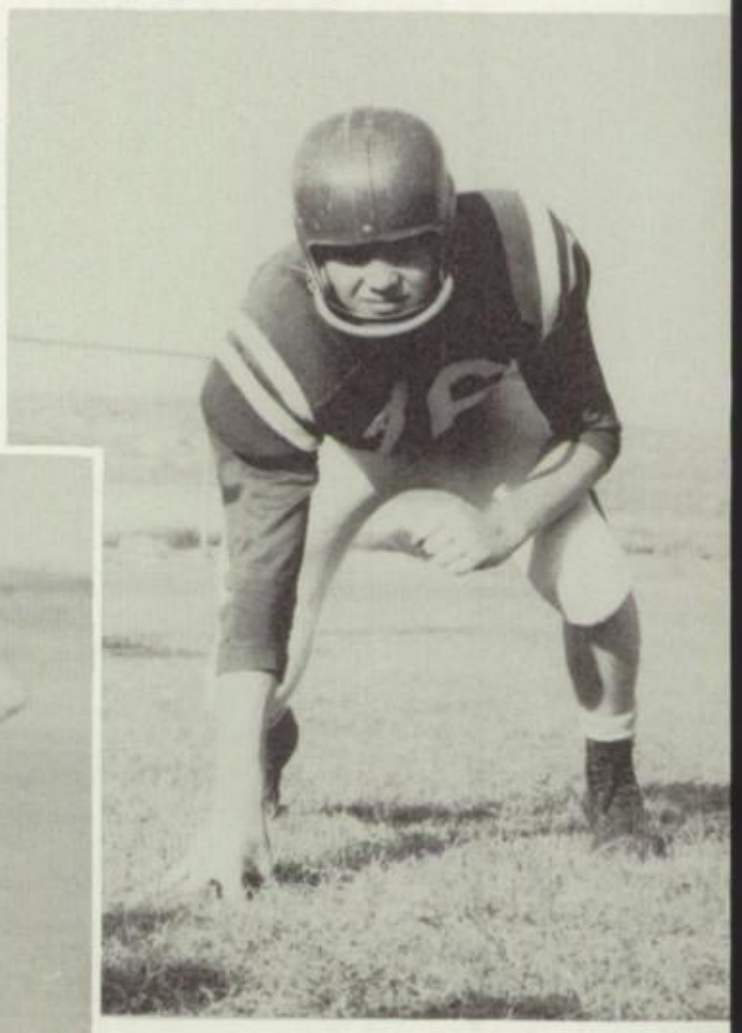


Below: JERRY TAYLOR
Senior, weighs 155 pounds and plays at a guard position. Jerry played consistently well all year as he made the circle of two year lettermen. He was a good hustler.

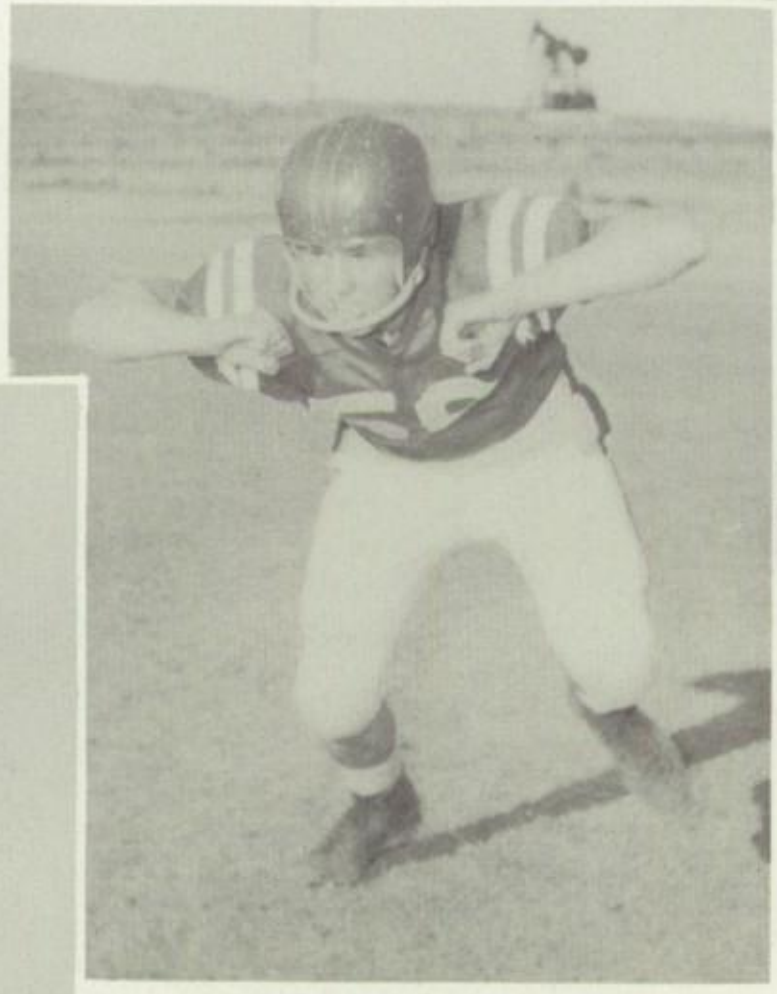
Above: CHARLES FOREMAN
Senior, one year letterman, weighs 155 pounds, plays halfback. Although hampered by a pre-season accident, Charles proved to be a great competitor.

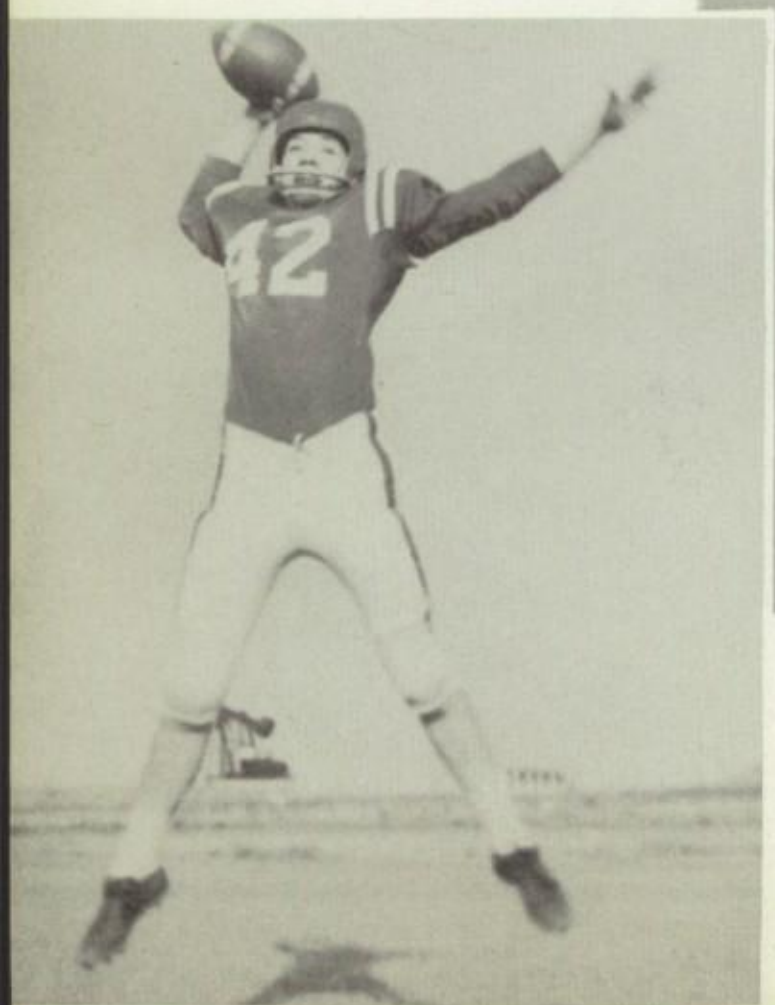
Eldon Wetsel pulls down an unidentified player in the annual homecoming game at Bulldog Stadium against a strong Pampa club.

Below: GARY MORRISON
Sophomore, weighs 160 pounds and plays center. The lack of experience didn't stop 'Bullet' in his first year as a pigskin letterman for Borger. He is a possible starter next year.



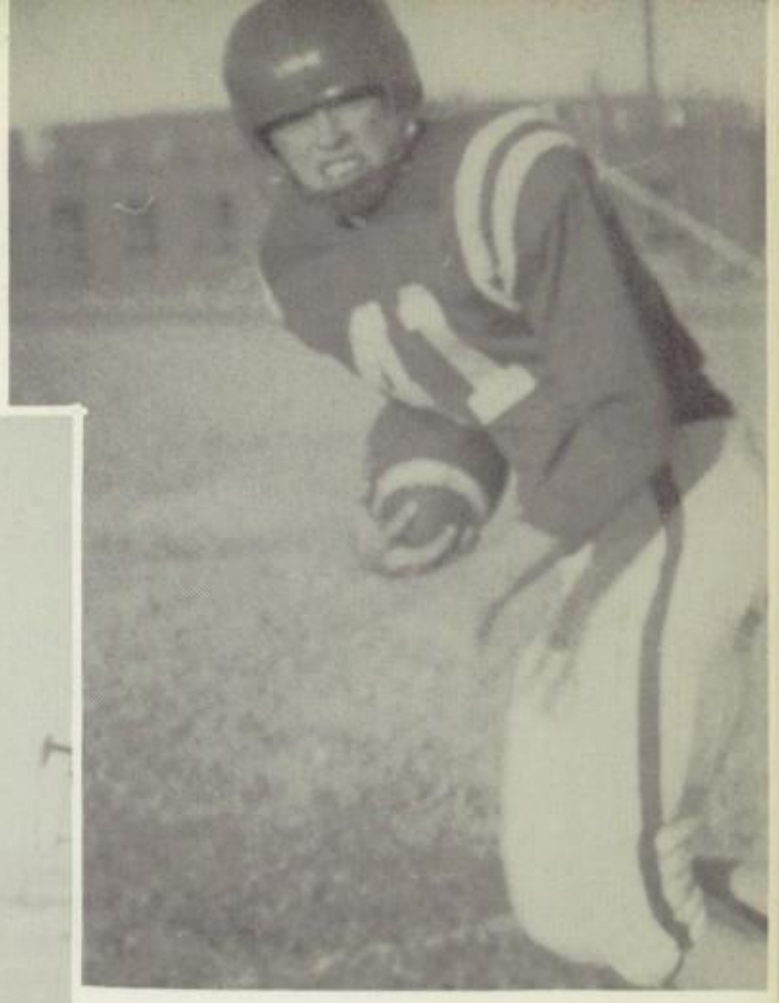
Below: BOB PAGE
Junior, 160 pound quarterback. This is Bob's first year as a Bulldog starter and he made a great showing, especially in the Northeast game when he scored four touchdowns. He has lettered two years.



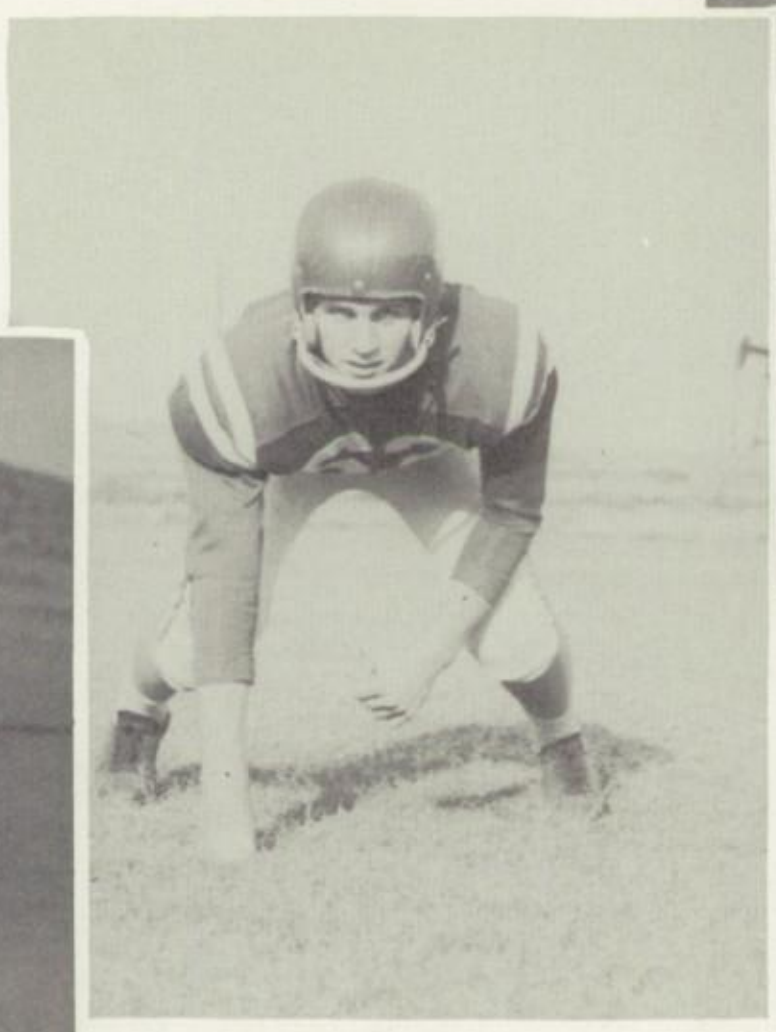


Above: CHARLES HOOD
Senior, weighs 174 pounds and plays tackle. Charles was one of the 'big' boys in the Bulldog forward wall. He is a two year letterman and has the potential for a real good college player.

Below: ROBERT HEGDAL Junior, a two year letterman and weighs 170 pounds. 'Butch' started for the Bulldogs at an end position and did a great job on defense. Hegdal will be good material for a college player in a couple of years.



Below: LARRY CLEMISHIRE Senior, weighs 205 pounds. 'Tiny' displayed hard, rough, but clean football. He is a three year letterman and plays tackle.

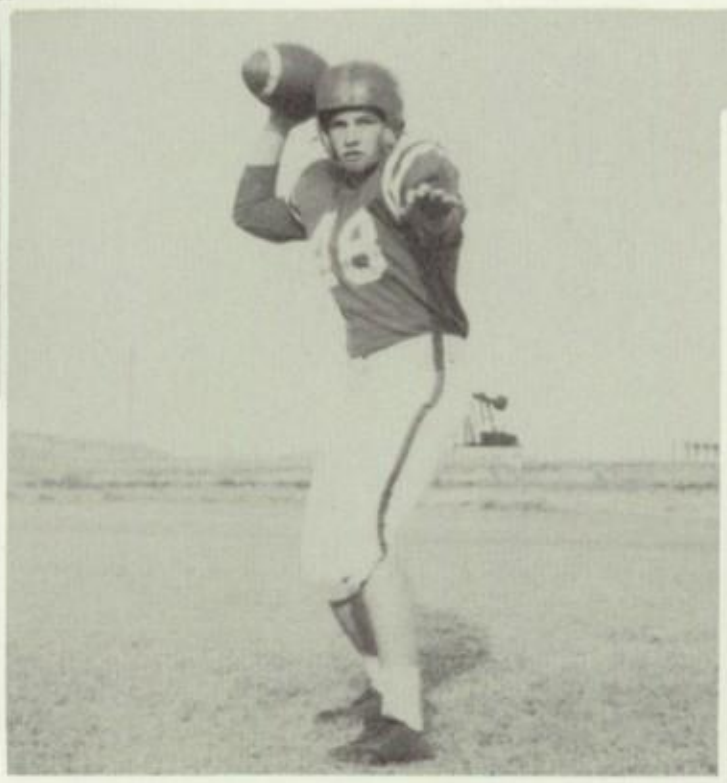


Above: DON CHAMBLESS Junior, a one year letterman and plays a halfback position for the Bulldogs. Don was a great defensive back for his 136 pounds. He was also good on punt returns. He will help the squad next year as a probable starter.

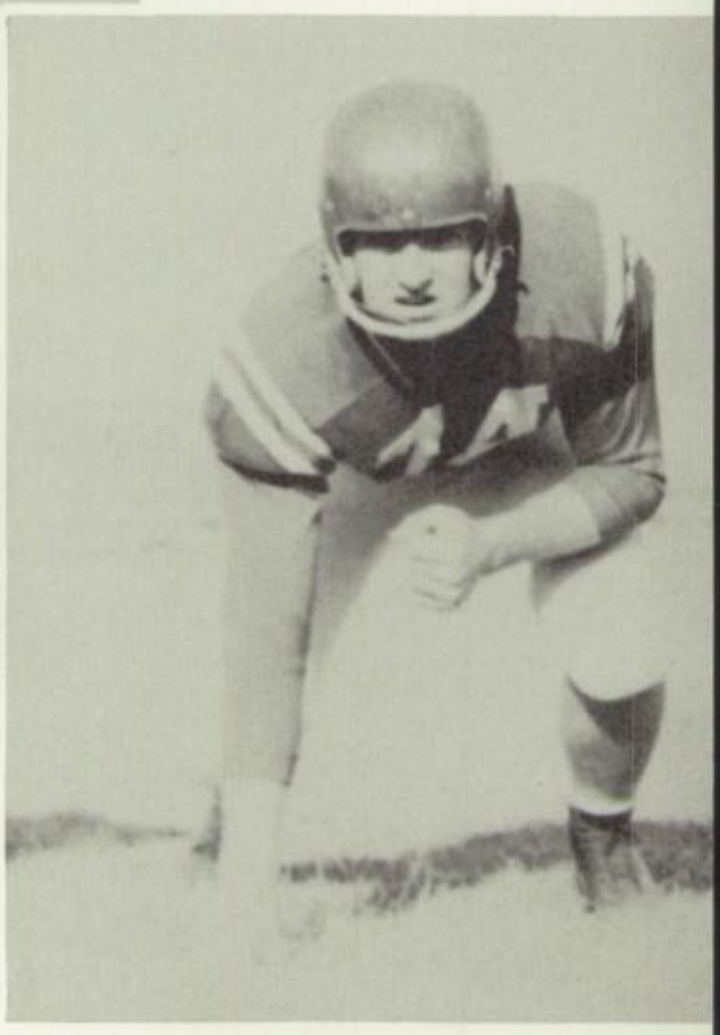
Bob Page, Borger quarterback, goes over for one of his four touchdowns as they racked unscored on Northeast High of Oklahoma City, 33 to 12.

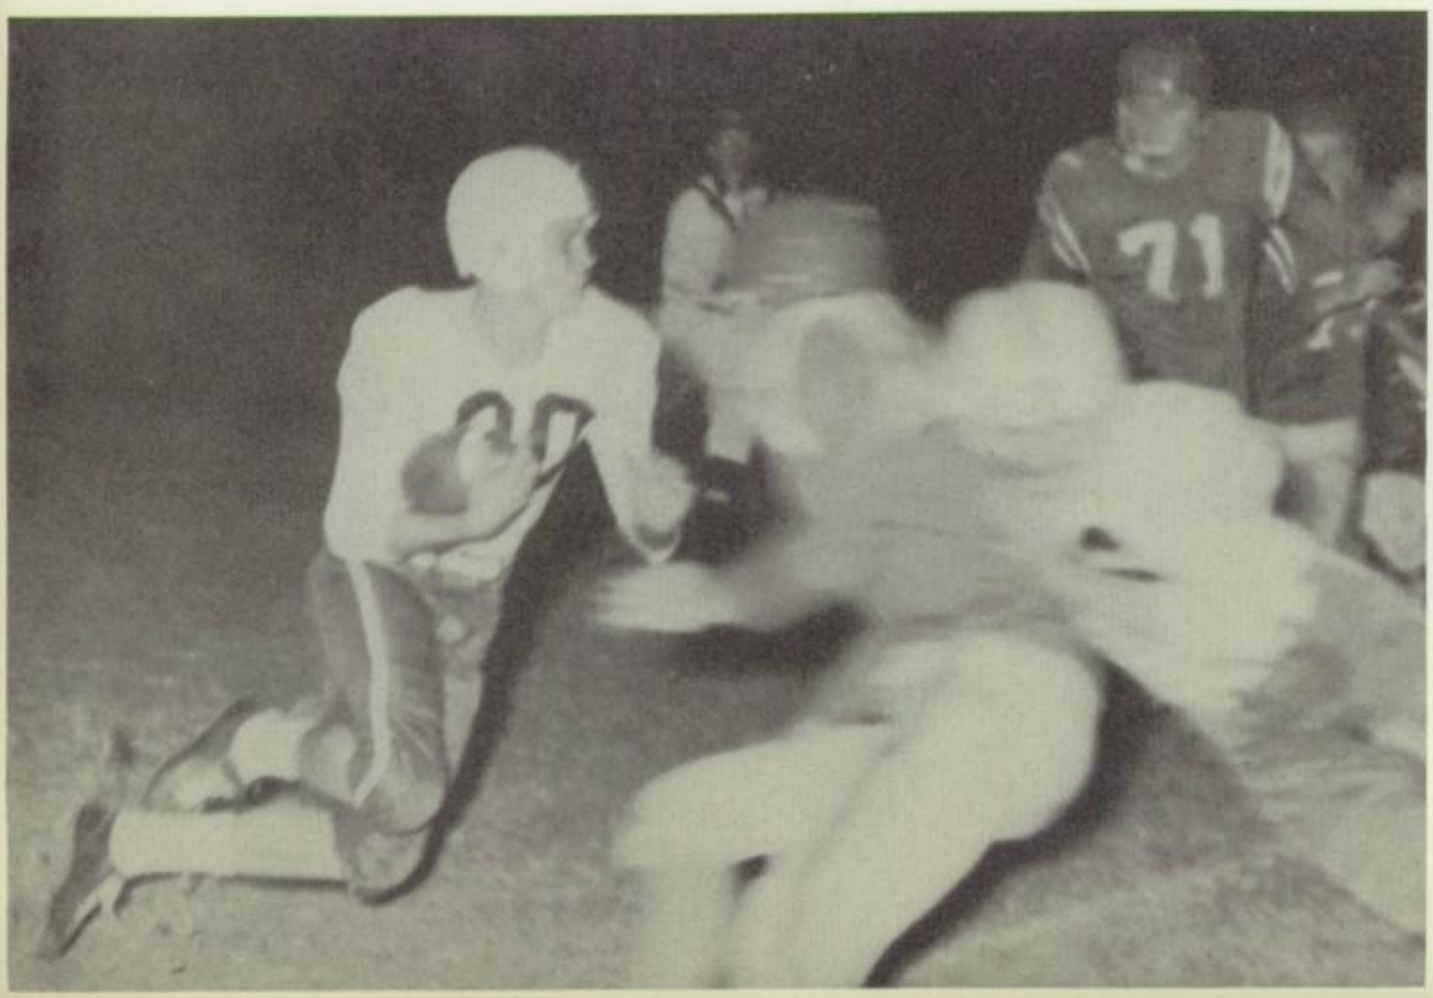
Above: RONNIE JACKSON
Senior, weighs 160 pounds, plays at a guard position. This has been Ronnie's second year as a Bulldog letterman and he rightly deserved it for his great spirit and hustle. Although small, as linemen go, he made up for it with his determination to play.

Below: JERRY ARGOVITZ
Senior, weighs 160 pounds, quarterback. Jerry alternated with Bob Page at the quarterback slot and proved he had quite a throwing arm as he carried home his second letter as a Borger back.



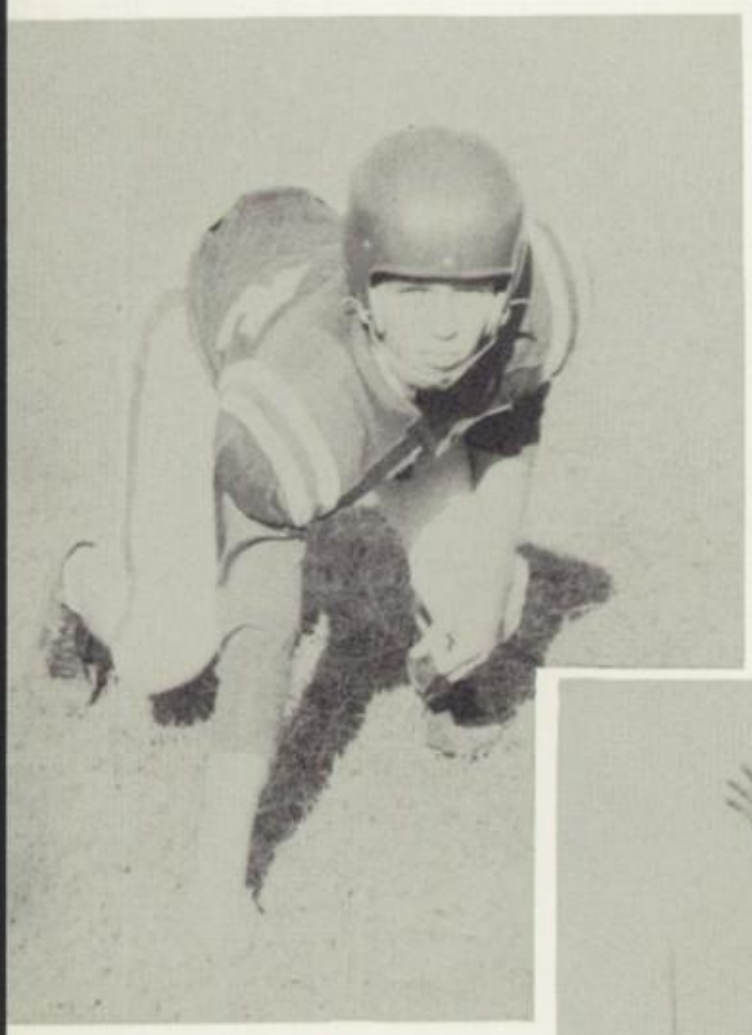
Below: HAROLD SMITH
Sophomore, weighs 19 pounds. Harold, thoug lacking in experience thi year, will be a big help t the 'dogs' next year. H plays tackle and this is hi first year to letter.





An unidentified San Angelo back is trapped as he advances to the Borger goal line. No. 71 is Larry Clemishire of Borger.

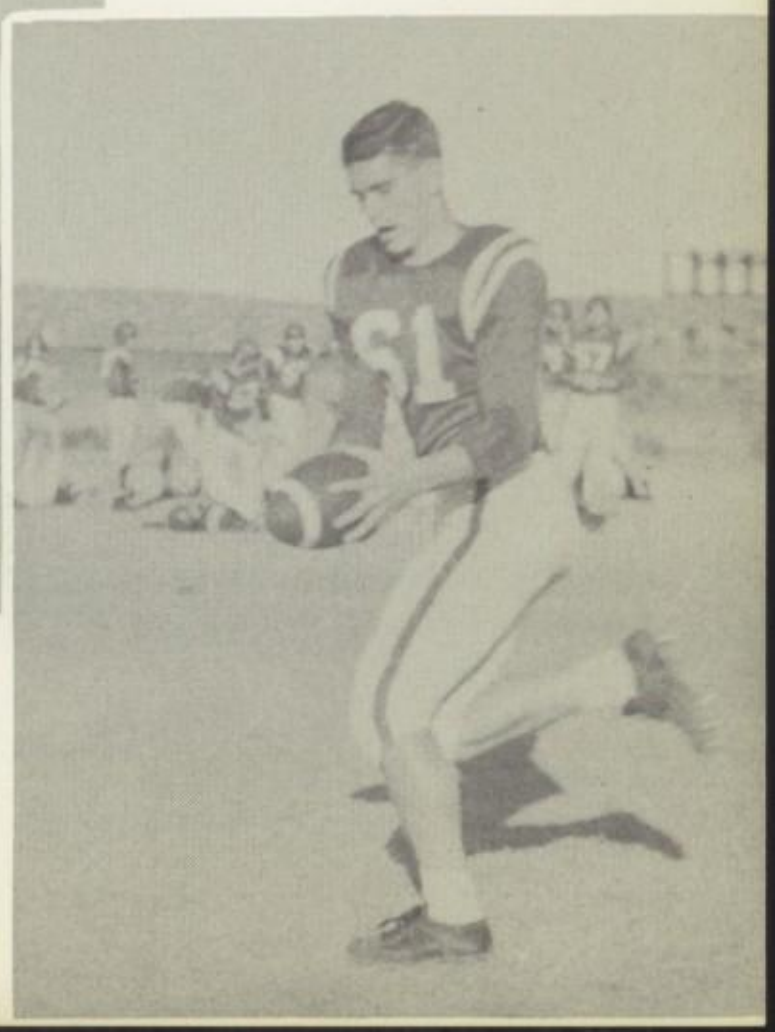
Eldon Wetsel makes a larger gain on a pass from the arm of Bob Page against the state champion Abilene Eagles.



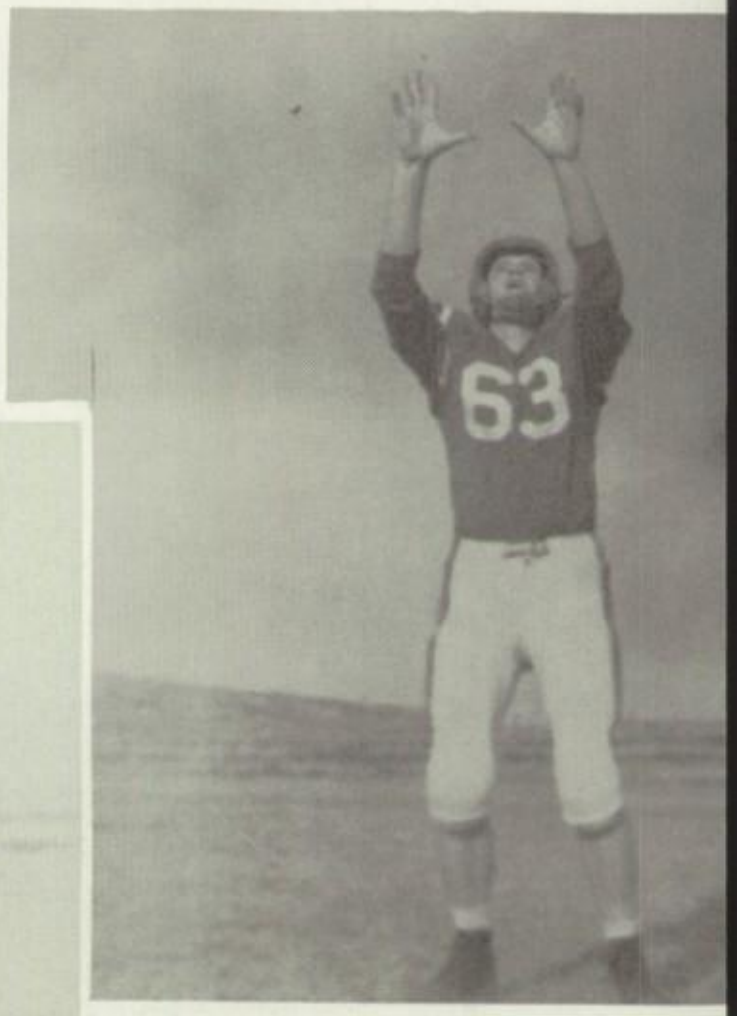
Below: EUGENE RICHMOND Senior, weighs 155 pounds. The fleet little halfback filled in very nicely for the injured Johnny Hadley. In fact, he did so well, he was named player of the week. He made many fine runs to earn this title and a Borger letter.

Below: CHARLES HENSON Junior, weighs 154 pounds. Charles played good defensive ball and also some offensive ball at the end position. Big things are expected of him next year. He has lettered one year.

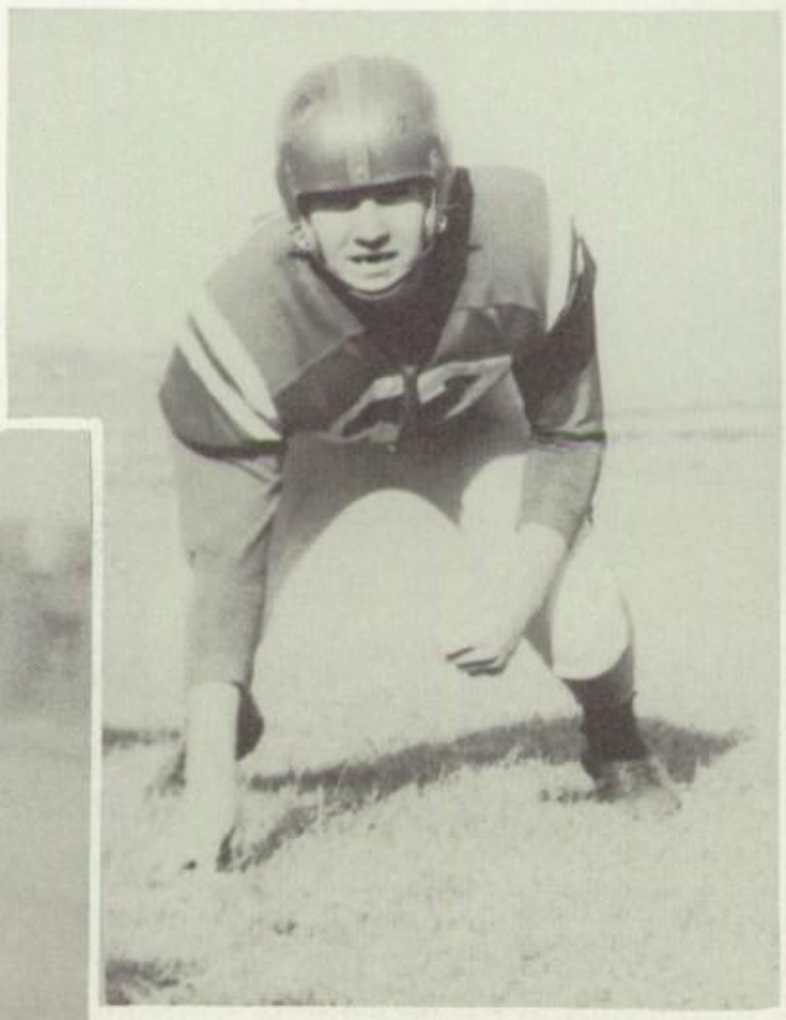
Above: RONNIE WEBB Junior, weighs 148 pounds and plays guard. This is Ronnie's first year to letter and he has rightly deserved the honor. Webb is a possible starter for next year.



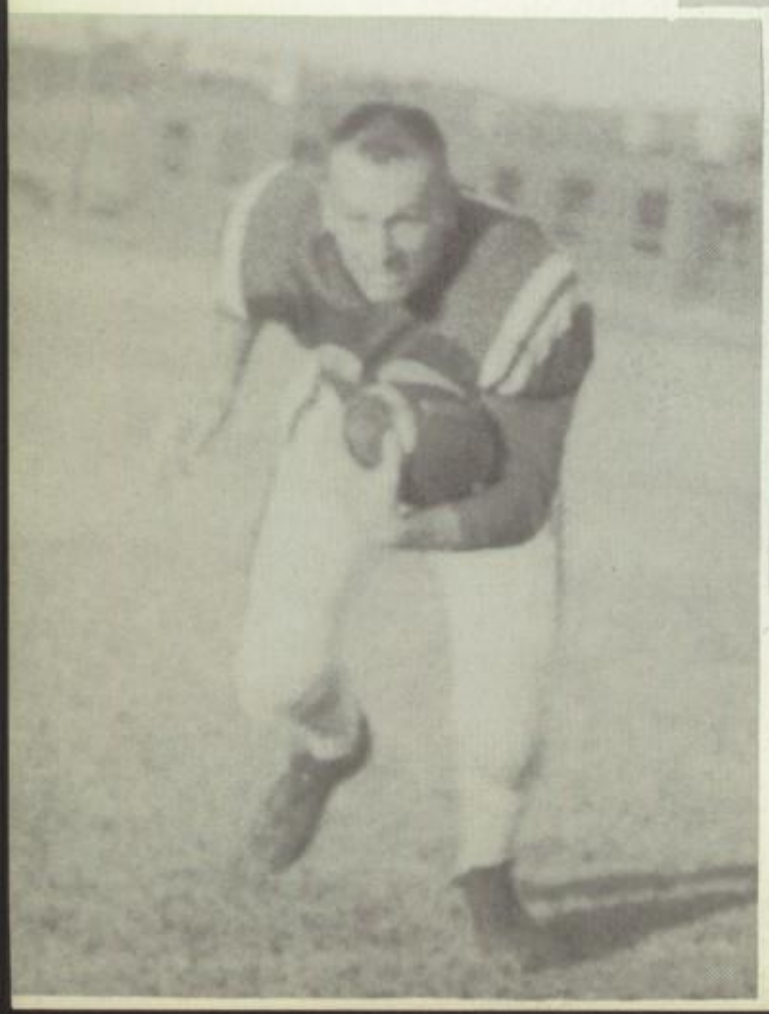
Monterey watches helplessly as a very strong Borger squad makes one of the several extra point trys in a very impressive Bulldog victory.



Below: ANDREW HUTCHENS Junior, plays tackle and weighs, 176 pounds. Big things are expected of Andy next year when he should be at his high school peak. He is a one year letterman.



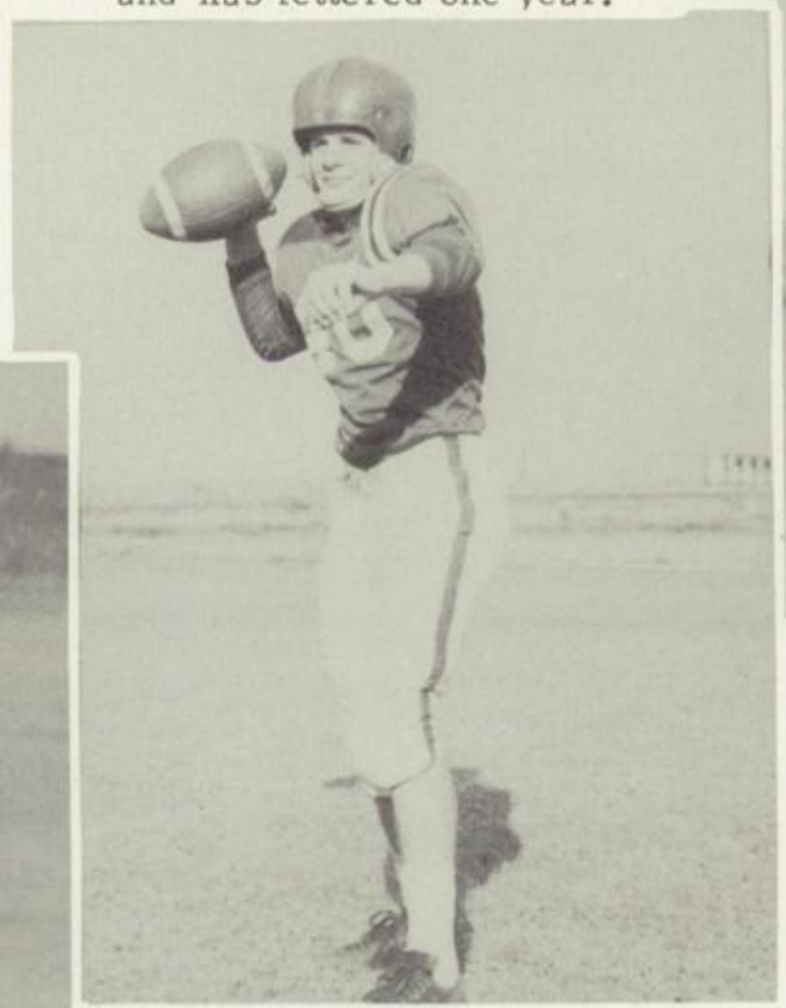
Below: JOHNNY HADLEY Senior, weighs 165 pounds and plays fullback. 'Red' has played great ball this year despite numerous injuries. He has lettered two years and started both years.



Above: MELVIN GRANT Junior, weighs 153 pounds and plays end. Melvin should hit his stride next year and is a possible starter. He is a one year letterman.

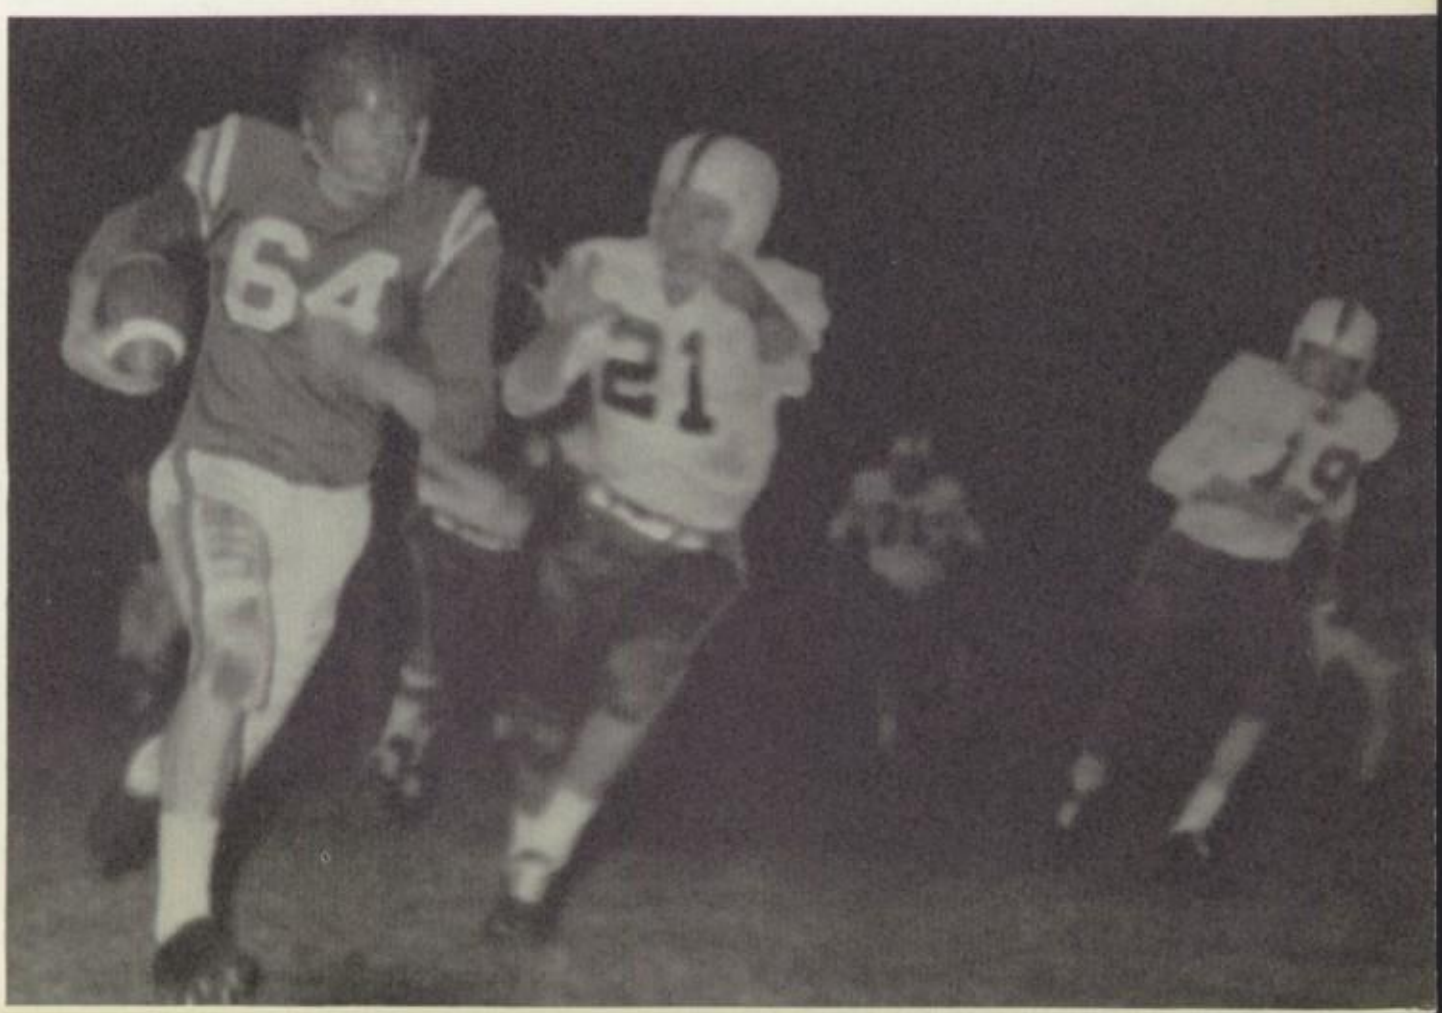
Below: GERALD DALTON Senior, weighs 136 pounds and plays halfback. The speedy little scatback made many brilliant kickoff and punt returns. Gerald has lettered one year and rightly deserves a Bulldog letter.

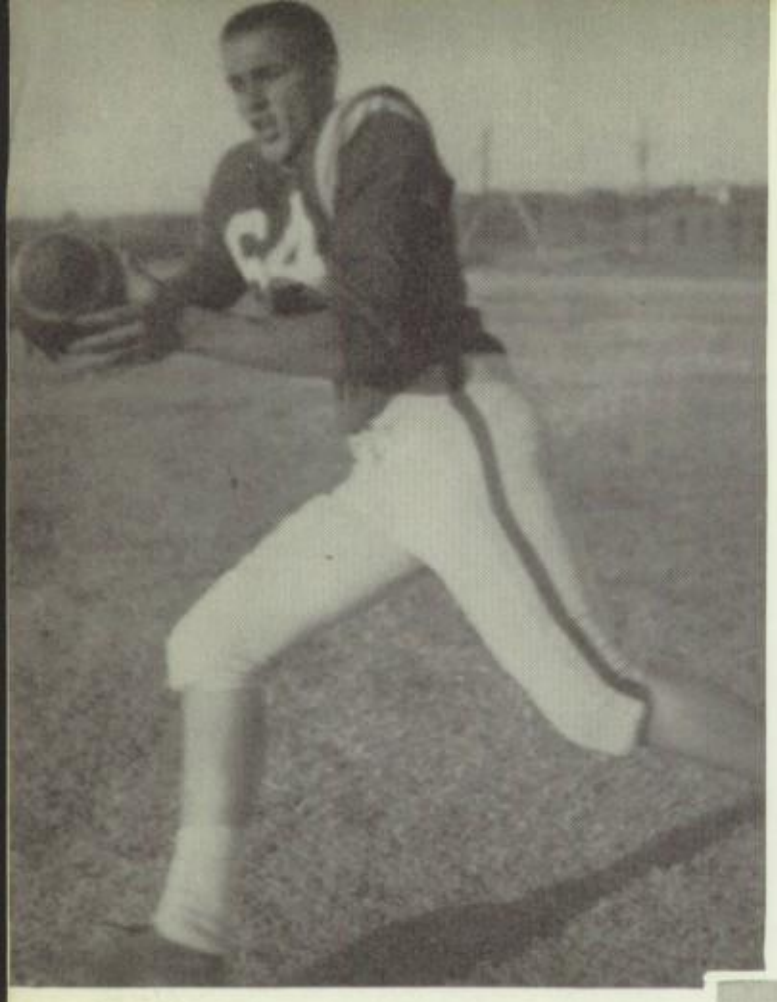
Below: WAYNE TEDDER Senior, weighs 136 pounds and plays quarterback. Wayne plays one of the best defensive backs that Borger has seen in a long time. He also was a good passer and has lettered one year.



Above: ED GUTHRIE Junior, plays end and weighs 148 pounds. Ed is a one year letterman and played good ball all year despite some pretty rough injuries he received in the Monterey game.

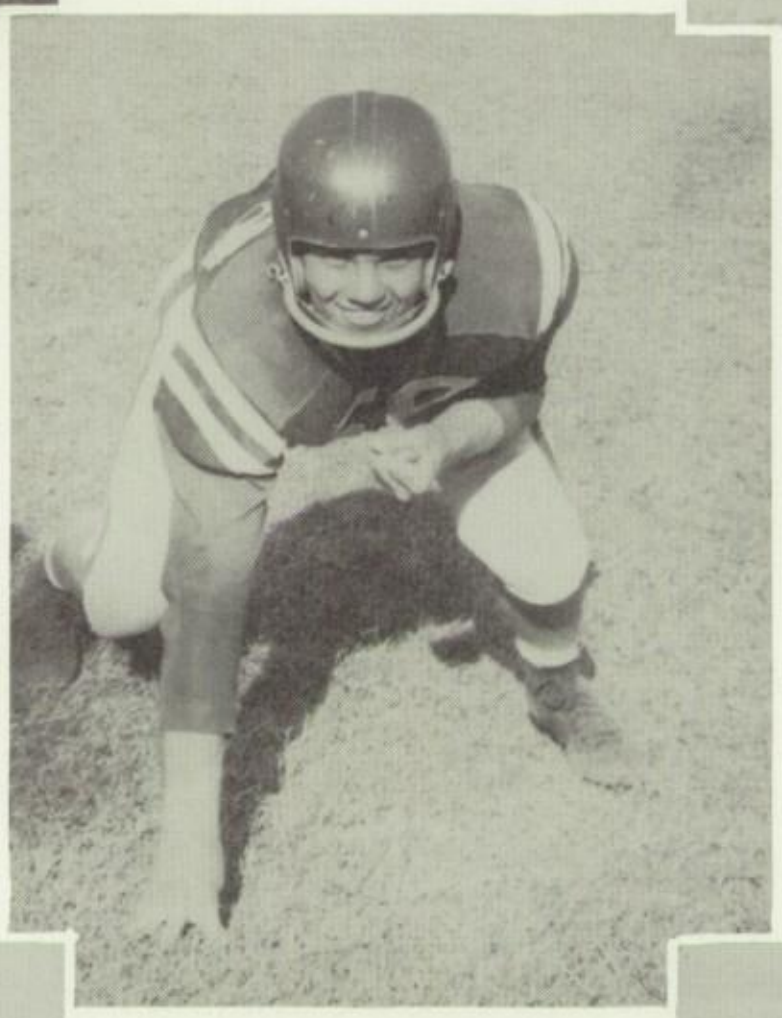
Jimmy Dyke carries the pigskin after a completed pass in the Abilene game in which the Bulldogs lost a very hard fought battle.



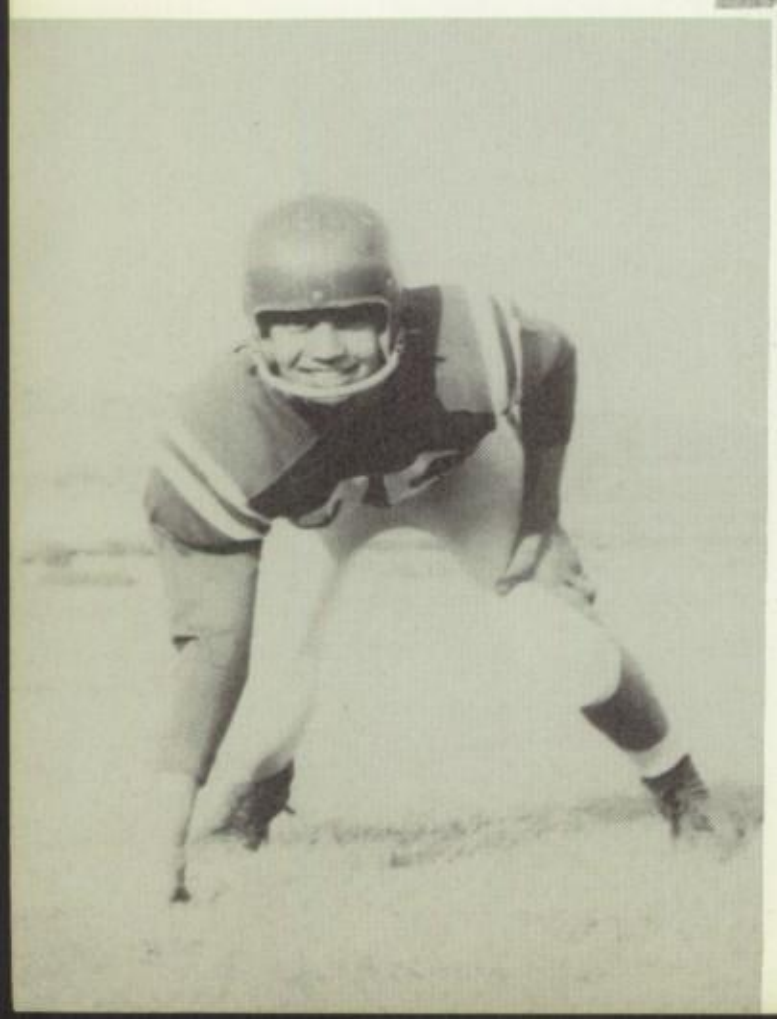


Above: JIMMY DYKE
Senior, plays end and weighs 160 pounds. Jimmy just finished his second year as a Bulldog letterman and did a very good job on defense.

Below: EDDIE MARCUM
Senior, weighs 178 pounds and has lettered two years. Eddie was a starter at tackle and did a very fine job.



Above: ELDON WETSEL
Senior, weighs 150 pounds and has lettered two years. The speedy halfback was a great defensive back as well as on offense.



Left: CLARENCE SMITH
Junior, weighs 175 pounds and plays tackle. The big tackle was almost immovable as a defensive or offensive player.

Right: CHARLES ROGERS
Senior, weighs 160 pounds and has lettered two years. 'Chicken' played center and did a very fine job. He is considered one of the roughest players for Borger.

THE END

May 17, 1956
Thursday, Evening
7:22 o'Clock

Hi Baby. I Love you!!!
my Darling I Love you more
than life itself. and I hope we
are always in. Love as much
as weive always been, and as
much as we are now. Don't you

Dear Glynda,

I've known you for quite a while now, and I know you pretty well. So I know what I'm talking about when I say you have a swell personality and you are a nice girl to know. Lots of fucks

Harry
"Rolly"
Furnace

Dear Glynda,

Well thank goodness we have eleven down and one to go. (I hope) It sure has gone by fast but I sure am glad and I know you are too. I sure have had fun going to school with you and running around with you and Wayne. We've had some bad times but they have always been lots of fun. Even when I had to get up at 3 in the morning and make you a sandwich I still like you loads. I don't know what I would ever, ever do without you. If it hadn't been for you and I don't know how I ever would have gotten up and went to school. We'll

have had our fusses and fights
but they have been few and
far betweeen. After all we have
to have somebody to haul out
when we get so mad. We
have been good friends
for five years and I hope
we always are because I al-
ways want to have you and Wayne
around. I'm not going to
write all that stuff about you
being cute and nice and sweet
and having a good personality
because you already know it
so what's the use in telling

you about it because every-
one else already has. Glynda,
I hope you and Wayne are
always happy and have what
you want because you deserve
it. I'll never forget all the
parties and good times we've
had together. We'll probably
think back and laugh about
them when we get old and our
kids will probably laugh
about them if we ever tell
them but who cares so long
as we have fun now. We certainly
are going to have that big ball
sometime when we get old,

just like we have everyone
in a while now even if I
have to hunt you out of those
Oklahoma hills or come clear
to California. We've done
plenty of mean things in our
time and probably will keep
on doing them but we've never
been sorry. (at least I haven't)
I know we'll always get out of
everything we get into because
if you can't get out of them
I can talk us out (I hope.) We're
meaner that (he-) as you said
but there will probably be

Best of luck to a
really fine girl
(you [redacted]
I wish you and
Wayne all the
happiness in
the world.

Wynell

somebody a little bit meaner
than we are anyway. Well
I guess I better stop writing
before I write up your whole
book and ~~dont~~ wont leave any room
for Wayne because I could
think of enough to write to finish
the whole thing off. Always stay
like you are now and you'll

always have fun no matter who you're with or what you do or where you are. Best of luck and all that junk to you and Wayne always.

your friend forever,

Pat

Scott

P.S. When you get old and read this I hope you will remember what I've talked about because I always will. You'll probably laugh and say I wonder what she was talking about to your kids but you'll know.

Dear Glenda,

You're a real swell girl. We have had lots of fun. Keep up the good work and you'll go far.

Kay Warren
